WHY CHOOSE ARMENIAN NATIONAL AGRARIAN UNIVERSITY

- **NMC Recognition:** Armenian National Agrarian University is approved by the National Medical Commission (NMC), ensuring your degree is valid in India after clearing FMGE.
- **WHO Recognition:** The university is also recognized by the World Health Organization (WHO), providing global recognition for your MBBS degree.
- **Affordable Tuition:** With tuition starting at approximately \$800 per year, Armenian National Agrarian University offers a cost-effective MBBS option.
- **No Donation Fees:** Unlike many private medical colleges in India, Armenian universities generally do not charge donation or capitation fees.
- **English Medium:** The MBBS program is taught in English, eliminating language barriers for Indian students.
- **Clinical Exposure:** The university provides excellent clinical placement assistance in collaboration with hospitals and research facilities.
- **Internship Opportunities:** Indian students can pursue internships in Armenian hospitals and international healthcare facilities.

CAMPUS & FACILITIES

- Modern classrooms equipped with audio-visual aids for effective learning.
- Well-equipped laboratories for practical training in various medical disciplines.
- Digital anatomy lab for detailed study of human anatomy using advanced technology.
- Library with a vast collection of medical books, journals, and online resources.
- Computer labs with internet access for research and online learning.
- Hostel facilities with comfortable accommodation for international students.
- Indian food available in the mess to cater to the dietary needs of Indian students.

ELIGIBILITY

- **NEET score:** Must qualify in NEET with the required percentile.
- **Age:** Minimum 17 years as of December 31, 2026.
- **Nationality:** Must be an Indian national.
- **Academics:** Complete the required higher secondary education.

- Documents: Provide a valid passport.
- Visa: Obtain a student visa after admission confirmation.
