

# Army Medical College

Bangladesh • Established 2008 • Government

## ABOUT THE UNIVERSITY

Overview Army Medical College is a public medical institution located in Bangladesh. Established in 2008, the college offers an MBBS programme with a total duration of 6 years. The curriculum is delivered with English as the medium of instruction, and students have access to an integrated teaching hospital for their clinical training. Fees & Cost Prospective students should carefully evaluate the financial commitment required for this institution. The annual tuition fee for the MBBS programme is 432,000 USD, which is approximately Rs 367.2 lakh per year. This represents a significant investment in medical education. Recognition & FMGE For Indian students, the most critical consideration is the ability to practice medicine back home. It is important...
