WHY CHOOSE ASIAN INSTITUTE OF MEDICINE SCIENCE AND TECHNOLOGY

- Established in 2001: AIMST University has a history of providing medical education in Malaysia since 2001, offering a stable and established academic environment.
- Non-profit Institution: As a non-profit private university, AIMST focuses on education and research rather than profit, potentially leading to reinvestment in...
- Located in Malaysia: Malaysia is a preferred destination for Indian students seeking medical degrees, offering a multicultural environment and quality education.
- English Medium Instruction: The MBBS program is taught in English, removing language barriers for Indian students and facilitating easier learning and interaction.
- Accredited Programs: AIMST offers medical programs accredited by reputable bodies, ensuring the quality and recognition of the degree upon graduation.
- Experienced Faculty: The university boasts highly qualified faculty, providing students with expert guidance and mentorship throughout their MBBS journey.
- Modern Infrastructure: AIMST provides state-of-the-art infrastructure, creating a conducive learning environment with access to advanced facilities and resources.

CAMPUS & FACILITIES

- Well-furnished and modern hostel facilities are available for all students.
- Separate hostel facilities are provided for boys and girls.
- Indian food options are available in the mess.
- The campus includes a supermarket for daily needs.
- A café is available on campus for refreshments.
- A clinic is available within the campus for medical assistance.
- A pharmacy store is located on campus for medications.
