ABOUT THE UNIVERSITY

Astrakhan State Medical University: A Premier Destination for Medical Education Established in 1918, Astrakhan State Medical University (ASMU) is one of Russia's oldest and most respected government medical institutions. Located in Astrakhan, a historic city near the Caspian Sea, the university offers a unique blend of traditional academic rigor and modern educational practices. With over a century of legacy in medical education and research, ASMU has trained thousands of doctors who now practice globally. Academic Excellence and Programs ASMU provides a 6-year MBBS program (Bachelor of Medicine and Bachelor of Surgery) taught entirely in English, catering specifically to international students, including over 200 Indian students currently...
