NMC-Approved

ABOUT THE UNIVERSITY

Overview Avicenna International Medical University is a public institution in Kyrgyzstan, established in 1939. For Indian students seeking an international medical education, the university offers a 6-year MBBS program conducted in English. The academic session typically begins with an intake in September. A key advantage for students is the availability of a teaching hospital, which allows for practical clinical exposure during the course of study. Fees & Cost The financial commitment for the MBBS program is structured around a total cost of 24,000 USD. The annual tuition fee is 2,395,000 USD (approximately Rs 2035.8 lakh per year). In addition to tuition, students should budget 800 USD annually for hostel accommodation. When planning your budget,...
