

B.P. Koirala Institute of Health Sciences

Nepal • Established 1993 • Government

ABOUT THE UNIVERSITY

Overview B.P. Koirala Institute of Health Sciences is a public medical institution located in Nepal. Established in 1993, the institute provides a comprehensive medical education delivered in English. The MBBS program spans a total duration of 6 years, and students benefit from the presence of an integrated teaching hospital, which is essential for gaining practical clinical experience during the course of study. The academic intake typically occurs in September. Fees & Cost For Indian students planning their finances, the total program cost is 69,000 USD. In addition to the tuition and program fees, the annual cost for hostel accommodation is 280 USD. When calculating the budget for studying in Nepal, students should account for these fixed costs...
