ABOUT THE UNIVERSITY

University Overview: Baguio Central University History and Establishment Baguio Central University (BCU), located in Baguio City, Benguet, Philippines, was established in 1945 . Initially founded to provide vocational training, the institution expanded its offerings over decades, introducing high school and preschool programs before evolving into a comprehensive university. In 1977 , the institution was officially renamed Baguio Central University, reflecting its growth into a multidisciplinary educational hub. Today, BCU operates three campuses —Bonifacio, Magsaysay, and Lower P.—each designed to a conducive learning environment with modern infrastructure and facilities. **Academic Reputation and Programs** BCU is particularly known for its College of...

WHY CHOOSE BAGUIO CENTRAL UNIVERSITY

- **Globally Structured Program:** Offers an MBBS/MD program aligned with international medical standards, ensuring a well-rounded medical education.
- **English Medium:** The medium of instruction is English, removing language barriers and making it easier for Indian students to adapt to the curriculum.
- **Affordable Tuition:** Provides competitive tuition fees, offering a better return on investment compared to many private medical colleges in India.
- **Clinical Training:** Clinical training in affiliated hospitals provides real patient exposure, enhancing practical skills and knowledge.
- **Welcoming Environment:** A welcoming environment for foreign students with comfortable hostel and accommodation facilities ensures a smooth transition.
- **Safe Accommodation:** Safe and comfortable hostel facilities are available, with well-furnished rooms, proper ventilation, and essential amenities.
- **Nutritious Meals:** Mess facilities ensure nutritious meals are available, catering to the dietary needs of international students, including Indian cuisine.

CAMPUS & FACILITIES

- Comfortable hostel and accommodation facilities for international students.
