WHY CHOOSE BAU INTERNATIONAL UNIVERSITY

- **Affordable Fees:** The annual tuition fee for the MBBS program is \$4,800 (approximately INR 398,400), making it a cost-effective option compared to private medical...
- **English Medium Education:** The entire 6-year MBBS program is taught in English, ensuring ease of understanding for Indian students without language barriers.
- **Global Recognition:** BAU International University is recognized by WHO and NMC, ensuring your degree is valid in India and worldwide.
- **American Model Curriculum:** The 6-year MBBS course follows the American model, providing a globally recognized standard of medical education.
- **USMLE Preparation:** The university includes free USMLE (United States Medical Licensing Examination) preparation courses within the MBBS program.
- **Clinical Experience:** Students gain valuable clinical experience from the beginning of their semesters at the Medina Health Centre.
- **Established University Network:** Founded in 2015, BAU is part of the BAU Global Network, with universities and colleges in the USA, Germany, Turkey, and Cyprus.

CAMPUS & FACILITIES

- Modern classrooms designed to facilitate interactive learning for medical students.
- Advanced laboratories equipped for practical training and research in medical sciences.
- Clinical training provided through affiliated hospitals and medical facilities in Georgia.
- Hostel facilities with amenities like Indian food, Wi-Fi, and 24/7 security for international students.
- Digital library providing access to a wide range of medical journals and online resources.
- Sports facilities available for students to engage in recreational activities and maintain fitness.
- Cafeteria offering diverse food options to cater to the dietary needs of international students.

ELIGIBILITY

- NEET qualification: Mandatory for Indian students as per NMC guidelines.
- Age: Minimum 17 years old as of December 31, 2026.
- Academic Qualification: Completed 10+2 with Physics, Chemistry, and Biology.
- Minimum Marks: 50% aggregate in Physics, Chemistry, and Biology in 12th grade (40% for reserved categories).
- Application Timeline: Applications for the September 2026 intake are expected to start in June 2026 and close by August 2026 (tentative).
- English Proficiency: The MBBS program is taught in English.

HOW TO APPLY

Intake: September.

1. Step 1: Ensure you meet the eligibility criteria, including being at least 17 years old by December 31st of the admission year 2026.
2. Step 2: Complete 10+2 with Physics, Chemistry, and Biology, securing a minimum of 50% marks (40% for reserved categories).
3. Step 3: Qualify for the National Eligibility cum Entrance Test (NEET) as mandated by the NMC for Indian students.
4. Step 4: Begin your application process early, ideally around June 2026 for the September 2026 intake, as seats are limited.
5. Step 5: Submit the required documents, ensuring all are accurate and complete, to avoid delays in processing your application.
6. Step 6: Await the admission confirmation letter from BAU International University Batumi after your application is reviewed.

DOCUMENTS REQUIRED
