ABOUT THE UNIVERSITY

Overview Carol Davila University is a public medical institution located in Romania. Established in 1857, it has a long history of medical education. For Indian students seeking an international medical degree, the university offers an MBBS program conducted in English, ensuring that students can follow the curriculum without an initial language barrier. The program spans a total duration of 6 years, with the academic intake typically occurring in October. Fees & Cost Understanding the financial commitment is essential for any aspirant. The annual tuition fee for the MBBS program at Carol Davila University is 10,800 USD, which is approximately Rs 9.2 lakh per year. In addition to tuition, students should budget for accommodation, with hostel fees...
