ABOUT THE UNIVERSITY

Chelyabinsk Nursing College Overview History and Establishment Chelyabinsk Nursing College, established in 1993, is a public institution located in Chelyabinsk, Russia. Over the past three decades, it has grown into a recognized center for medical education, particularly for international students seeking nursing and allied health programs. The college is NMC-approved, ensuring its degrees meet global standards and enabling Indian graduates to return to India and sit for the FMGE/NEXT licensing exams. Academic Programs and Reputation The college specializes in nursing education, offering programs such as B.Sc. Nursing and other healthcare-focused courses. While primarily focused on nursing, Russian medical universities, including Chelyabinsk...
