WHY CHOOSE CHENGDU UNIVERSITY OF TCM

- Established in 1956: Chengdu University of TCM has a long-standing history of over 70 years, providing a solid foundation in medical education since its establishment.
- Focus on TCM: Specialize in Traditional Chinese Medicine, gaining expertise in Acupuncture, Tuina, and Moxibustion, blending traditional practices with modern science.
- Diverse Student Body: Join a community of around 24,000 students, including a significant number of international students, fostering a global learning environment.
- Recognized by NMC/WHO: Ensure your degree is recognized in India, as many Chinese medical colleges, including those offering TCM, hold approvals from NMC and WHO.
- Affordable Education: Benefit from relatively lower tuition fees compared to private medical colleges in India, making quality medical education more accessible.
- Cultural Experience: Immerse yourself in the vibrant culture of Chengdu, a major financial, cultural, and commercial center in western China.
- Advanced Facilities: Study in a university equipped with research-level laboratories, affiliated hospitals, and highly qualified faculty for a comprehensive learning...

CAMPUS & FACILITIES

- Teaching hospitals: CDUTCM teaching hospital offers practical experience.
- Museums: Cultural Museum of TCM and Museum of Chinese Drug Specimens.
- Libraries: Four libraries with extensive TCM resources.
- Hostels: Separate on-campus and off-campus hostel accommodations are available.
- Indian mess: Availability of Indian food caters to Indian students.
- Sports facilities: Stadium for sports and recreational activities.
- Language center: Intensive language training center for international students.
