NMC-Approved

ABOUT THE UNIVERSITY

Overview Chitwan Medical College is a public medical institution located in Nepal, established in 2006. For Indian students seeking an international medical education, this college offers a comprehensive MBBS program spanning 6 years. A significant advantage for students is the availability of an integrated teaching hospital, which is essential for gaining the practical clinical experience required during the medical degree. The medium of instruction is English, ensuring that students can transition smoothly into their studies without language barriers. Fees & Cost The financial commitment for the MBBS program at Chitwan Medical College is a critical factor for applicants. The total program cost is 74,400 USD. In addition to the tuition and program...
