ABOUT THE UNIVERSITY

Overview Chongqing Medical University is a public institution established in 1956, located in Guangzhou, China. For Indian students seeking an international medical education, the university offers a 6-year MBBS program conducted in English. With an annual intake of 100 seats starting in September, the university provides a structured environment for medical studies, supported by its own teaching hospital to ensure practical clinical exposure. Fees & Cost Understanding the financial commitment is essential for any aspirant. The annual tuition fee for the MBBS program is 4,500 USD (approximately Rs 3.8 lakh per year). Additionally, hostel accommodation is priced at 640 USD annually. When considering the entire duration of the course, the total...
