ABOUT THE UNIVERSITY

History and Establishment Cyberjaya University College of Medical Sciences (CUCMS) was established in 2005 in Cyberjaya, Selangor, Malaysia, with a focus on strengthening healthcare education in the region. Initially offering programs in medicine and pharmacy, the institution was founded by a group of prominent medical specialists and educators. In 2019, it was upgraded to full university status, becoming the University of Cyberjaya (UoC), reflecting its expansion into multidisciplinary fields such as business, technology, and engineering while retaining its flagship health science programs. The university operates from a 5-acre green-friendly campus in Cyberjaya, Malaysia's first smart city, located 2 km from Cyberjaya Bus Terminal, 20 minutes...
