ABOUT THE UNIVERSITY

Dokuz Eylül University Faculty of Medicine: An Overview for Indian Students Dokuz Eylül University represents one of Turkey's established public medical institutions, offering Indian students a recognized pathway to medical education approved by the National Medical Commission (NMC) of India. Founded on July 20, 1982, in İzmir—Turkey's third-largest city and a major port on the Aegean coast—the university carries historical significance through its name, which commemorates September 9, 1922, the date of İzmir's Liberation during the Turkish War of Independence. Historical Foundation and Institutional Growth While formally established in 1982, Dokuz Eylül University's academic roots extend to the İzmir Economics and Commercial Sciences Academy...
