WHY CHOOSE EASTERN VISAYAS MEDICAL INSTITUTE

- **US-Based Curriculum:** The universities in the Philippines follow the US pattern of education, which is beneficial for students planning to take the USMLE exam.
- **English-Speaking Environment:** The Philippines offers an MBBS program completely in English, making it easier for Indian students to adapt and learn effectively.
- **Affordable Tuition Fees:** MBBS in the Philippines is known for its affordable tuition fees, reducing the financial strain on Indian students and their families.
- **Low Cost of Living:** Besides tuition, the Philippines offers a low cost of living, making it a more budget-friendly option for international students.
- **NMC-Approved Colleges:** The Philippines has a number of NMC-approved medical colleges, ensuring that the degree is recognized in India after clearing the FMGE.
- **Cultural Similarities:** Indian students find cultural similarities in the Philippines, which helps them adjust to the new environment more easily.
- **Clinical Training Opportunities:** The Philippines provides excellent opportunities for clinical training, giving students practical exposure in the medical field.

CAMPUS & FACILITIES

- Affordable tuition fees for Indian students seeking quality medical education.
- English-speaking environment, facilitating easy communication and learning.
- US-based curriculum, beneficial for students preparing for USMLE.
- Opportunities for clinical rotations in hospital departments under senior doctors.
