ABOUT THE UNIVERSITY

University Overview: Far Eastern Federal University Medical School Far Eastern Federal University (FEFU) is one of the most respected medical institutions in Russia, especially for Indian students seeking quality MBBS education abroad at an affordable cost. Established in 1899 in Vladivostok — a coastal city often referred to as "Russia's San Francisco" — the university began as the Oriental Institute and has since evolved into a leading educational and research hub in Eastern Russia. Located in the Asia-Pacific region, FEFU cultural and academic bridge between Russia and countries like India, China, Japan, and the USA, making it a globally connected institution. Academic Reputation and Recognition The School of Medicine and Life Sciences at Far...
