tuition + hostel + living/food + visa & travel

~Rs 60.9 L

Indicative; INR at ~Rs 85/USD. Living/food (~\$2,500/yr) and visa/travel (~\$1,500) are estimates and vary by city & lifestyle. Confirm current fees with the university.

WHY CHOOSE FOUNDATION UNIVERSITY

- **Accredited Curriculum:** FUMC offers a 5-year MBBS program fully recognized by the Pakistan Medical Commission (PMC), ensuring your degree meets national standards.
- **Integrated System:** The curriculum uses a modular, integrated system, starting with basic sciences and progressing to clinical subjects for seamless knowledge application.
- **Early Clinical Exposure:** Interact with patients from your initial years, bridging the gap between classroom learning and real hospital practice.
- **On-Campus Hospital:** Benefit from direct affiliation with the 200-bed Foundation University Hospital for continuous, hands-on clinical training.
- **Real-World Setting:** Gain practical experience in a modern hospital environment, preparing you for the challenges of medical practice.
- **Critical Thinking Focus:** The university uses teaching methods designed to foster critical thinking, self-directed learning, and effective communication.
- **Research Culture:** Actively participate in a research culture promoted among students and faculty, enhancing your analytical skills.

CAMPUS & FACILITIES

- **200-bed Foundation University Hospital:** On-campus facility for integrated clinical training.
- **Modern, purpose-built campuses:** Equipped with state-of-the-art academic blocks.
- **Well-equipped labs:** Providing hands-on practical experience in basic sciences.
- **Extensive libraries:** Access to a wide range of medical books and resources.
- **Spacious lecture halls:** Designed for effective teaching and learning.
- **Video conferencing facility:** Enabling interactive sessions and guest lectures.
- **Digital library:** Access to online journals and research materials.

ELIGIBILITY

- **NEET score:** Qualification in NEET is compulsory for MBBS admission abroad.
- **Age:** 17+ years as of Dec 31, 2026, is generally required.
- **Academics:** 50% marks in Physics, Chemistry, and Biology in Class 12 is a common requirement.
- **Passport:** A valid passport is required for international travel and admission.
- **Accreditation:** Ensure the university is NMC and WHO recognized.
- **Curriculum:** Choose a university with an English-medium MBBS program.

HOW TO APPLY

1. **Step 1:** Ensure you meet the eligibility criteria, including NEET qualification and minimum marks in PCB in Class 12.
2. **Step 2:** Obtain your passport, as it is a mandatory document for international travel and admission.
3. **Step 3:** Check the Foundation University Medical College (FUMC) website for the 2026 application form.
4. **Step 4:** Complete the online application form with accurate details and upload the required documents.
5. **Step 5:** Pay the application fee through the prescribed online payment methods.
6. **Step 6:** Await communication from FUMC regarding your application status and any further instructions.
