ABOUT THE UNIVERSITY

University Overview: Gazi University Faculty of Medicine, Turkey Gazi University, located in Ankara, the capital city of Turkey, is a established public institution with a rich history dating back to 1926. Originally established by Mustafa Kemal Atatürk as the Gazi Teacher Training Institute, the university evolved over decades into a comprehensive higher education center. In 1982, under the Higher Education Law, it was restructured and renamed Gazi University, incorporating numerous faculties, vocational schools, and research centers. Today, it is one of Turkey's leading universities, offering a wide range of academic programs, including the highly regarded Faculty of Medicine. Academic Structure and Student Population Gazi University comprises 21...
