ABOUT THE UNIVERSITY

Hacettepe University Faculty of Medicine: A Premier Institution for Global Medical Education Hacettepe University Faculty of Medicine, located in Ankara, Turkey, is one of the country's most established medical institutions. Established in 1963 as part of the broader Hacettepe University framework (officially founded in 1967), it traces its origins to the Institute of Child Health established in 1954 by Prof. Dr. İhsan Doğramacı. This legacy of excellence in healthcare education and research has positioned it as a leader in medical training, particularly for international students seeking globally recognized degrees. Academic Excellence and Global Recognition Hacettepe University ranks 571 in the QS World University Rankings 2026 , reflecting its...
