ABOUT THE UNIVERSITY

University Overview: Harbin Medical University Daqing Campus Harbin Medical University (HMU), established in 1926 , is a public medical institution located in Harbin, Heilongjiang Province, China. Known as the "Ice City" for its iconic winter festivals and Russian-influenced architecture, Harbin offers a unique blend of cultural heritage and modern academic excellence. HMU is recognized globally for its contributions to medical education and research, with its Daqing Campus serving as a key hub for international students pursuing MBBS programs. Historical Legacy HMU traces its origins to the Harbin Special Medical School , founded by Dr. Wu Liande, a pioneering Chinese physician who played a critical role in combating the 1910 Manchurian plague....
