ABOUT THE UNIVERSITY

Harbin Medical University: A Legacy of Medical Excellence Harbin Medical University (HMU), established in 1926 in Harbin, China, is one of the country's oldest and most established medical institutions. Known as the "Ice City" for its iconic winter festivals, Harbin is home to this public university that has shaped generations of medical professionals. HMU's history traces back to the Harbin Special Medical College, founded by Dr. Wu Liande, a pioneer in Chinese medicine. Recognized as a "Double First-Class" university in China, HMU combines nearly a century of academic tradition with modern medical education practices. Academic Reputation and Global Recognition HMU is one of the first 30 Chinese universities approved by the Ministry of Education...
