## ABOUT THE UNIVERSITY

Overview Hebei Medical University is a public institution in China with a long history of medical education, having been established in 1894. For Indian students seeking an international medical degree, the university offers a 6-year MBBS program conducted entirely in English. A key advantage for students is the availability of a teaching hospital, which allows for the practical clinical exposure necessary to bridge the gap between theoretical knowledge and patient care. Fees & Cost The financial commitment for studying at Hebei Medical University is a significant consideration for Indian families. The annual tuition fee for the MBBS program is 30,000 USD, which is approximately Rs 25.5 lakh per year. Additionally, students should budget 4,000 USD...
