ABOUT THE UNIVERSITY

History and Establishment Hebei Medical University (HMU), established in 1894 by Governor Li Hongzhang, is one of China's oldest medical institutions. Originally known as the Beiyang Medical School, it has evolved into a comprehensive university offering programs in clinical medicine, dentistry, pharmacology, and public health. Located in Shijiazhuang, Hebei Province, HMU combines historical legacy with modern medical education, serving as a hub for international students seeking quality training in healthcare. Academic Reputation and Rankings Ranked 321 globally and 12th in China for medical education, HMU is recognized for its rigorous academic standards and research contributions. It was among the first Chinese universities authorized to offer...
