

Institute of Health Sciences

Yerevan, Armenia • Established 1960 • Government

ABOUT THE UNIVERSITY

The provided research data does not contain verifiable information about the Institute of Health Sciences in Armenia . All numeric and descriptive fields related to this university are either unspecified or absent in the source material. For Indian students considering MBBS abroad, it is critical to rely on data from NMC-approved institutions, WHO-listed universities, and documented FMGE pass rates. The research data focuses extensively on Indian medical education (e.g., RGUHS results 2026, NEET 2026 cutoffs, AIIMS fees, and IHS Bhubaneswar details) but does not address Armenian institutions. If the query pertains to the Institute of Health Sciences (IHS), Bhubaneswar (Odisha, India), the following details are available: – Offers BASLP (Bachelor of...

WHY CHOOSE INSTITUTE OF HEALTH SCIENCES

- **Globally Recognized Degree:** The university offers an MBBS degree recognized by international bodies, enhancing career prospects abroad.
- **Affordable Fees:** Compared to private medical colleges in India, the tuition fees are relatively affordable, making it accessible for meritorious students.
- **Quality Education:** Students receive quality medical education with extensive clinical exposure, preparing them for diverse career paths.
- **Clinical Exposure:** Benefit from excellent clinical exposure, similar to that offered in top Indian medical colleges, ensuring practical learning.
- **Modern Infrastructure:** The university provides modern infrastructure, including well-equipped classrooms and laboratories, supporting effective learning.
- **Career Opportunities:** Graduates can explore specialization, research, public health, or practice abroad, thanks to the internationally recognized degree.
- **Experienced Faculty:** Learn from experienced faculty members dedicated to providing quality medical education and guidance.

CAMPUS & FACILITIES

- **Classrooms:** High standard classrooms equipped with modern technology for enhanced learning.
- **Library:** Roupya Memorial Library with books, journals, and internet for latest information.
- **Canteen:** Nutritious and hygienic food prepared in traditional Indian style.
- **Placement Cell:** Actively working placement cell for career guidance and recruitment.
- **Hostel:** Hostel facilities available for girls on a first-come-first-serve basis.
- **Laboratories:** Well-equipped laboratories for practical training and research.
- **Internet Access:** Available to students for accessing online resources and information.

ELIGIBILITY

- **NEET score:** Must qualify NEET-UG with a valid score as per NMC guidelines.
- **Age:** Applicant must be 17 years or older by December 31, 2026.
- **Academics:** Completion of 10+2 or equivalent with Physics, Chemistry, Biology/Biotechnology, and English.

- **Minimum Marks:** Secure a minimum aggregate of 50% in PCB for general category students in 10+2.
- **Reserved Categories:** Relaxations in minimum marks apply to reserved category students as per government norms.
- **Nationality:** Must be an Indian citizen or Overseas Citizen of India (OCI).

HOW TO APPLY

Intake: September.

1. Step 1: Qualify for NEET-UG by securing the required cutoff marks for the 2026 academic year.
2. Step 2: Fill out the IPU MBBS application form 2026 online after the official notification is released.
3. Step 3: Register for counselling conducted by Guru Gobind Singh Indraprastha University (GGSIPU).
4. Step 4: Fill in your preferences for the MBBS colleges affiliated with IPU during the counselling process.
5. Step 5: Participate in the seat allotment process based on your NEET score and preferences.
6. Step 6: Verify your documents at the designated verification center as per the university's guidelines.
