

International Medical University

Malaysia • Established 1983 • Government

NMC-Approved

ABOUT THE UNIVERSITY

Overview International Medical University is a public institution located in Malaysia, established in 1983. For Indian students seeking an international medical education, it offers a 5-year MBBS program where the medium of instruction is English, ensuring a smooth transition for those accustomed to English-medium schooling in India. The academic session typically begins with an intake in September. Fees & Cost The financial commitment for studying at International Medical University is split between annual tuition and the overall program expenditure. The annual MBBS tuition is 3,315 USD, which is approximately Rs 2.8 lakh per year. However, students should plan for a total program cost of 110,465 USD to cover the full duration of their medical...
