Kyrgyzstan • Established 2003 • Government

NMC-Approved

## ABOUT THE UNIVERSITY

Overview Established in 2003, the International University of Kyrgyzstan is a public institution providing medical education to students from across the globe. For Indian aspirants, the university offers a 6-year MBBS program conducted entirely in English, with the primary intake occurring in September. Currently, there are 750 Indian students enrolled at the university, creating a significant community of peers from home. Fees & Cost Choosing a destination for medical studies requires a clear understanding of the financial commitment. The total program cost at the International University of Kyrgyzstan is 33,050 USD. When planning your budget, it is essential to consider this figure alongside your personal living expenses for the duration of the...
