ABOUT THE UNIVERSITY

Karaganda State Medical University Overview History and Establishment Karaganda State Medical University (KSMU), established in 1950, is one of the oldest and most respected medical institutions in Kazakhstan. Located in Karaganda, a city known for its rich cultural heritage and historical significance, the university has grown into a hub for medical education in Central Asia. Over its 74-year history, KSMU has trained thousands of medical professionals, including a significant number of Indian students who now practice globally. Academic Reputation and Recognition KSMU holds NMC (National Medical Commission) and WHO approvals, ensuring its MBBS degree is globally recognized. Graduates are eligible to sit for the Foreign Medical Graduates...
