

# Kathmandu University School Of Medical Sciences

Nepal • Established 1994 • Government

NMC-Approved

## ABOUT THE UNIVERSITY

Overview Kathmandu University School of Medical Sciences is a public institution located in Nepal. Established in 1994, it provides a comprehensive medical education with a course duration of 6 years. For Indian students, the medium of instruction is English, ensuring that the transition to clinical practice and examinations is seamless. The academic session typically begins with an intake in September. Recognition & FMGE For Indian students, the most critical factor when studying abroad is the ability to practice in India. Kathmandu University School of Medical Sciences is NMC approved, which is a vital requirement for Indian graduates. However, it is important to note that the institution is not listed with WHO/WDOMS or FAIMER, and it is not...
