WHO Listed

ABOUT THE UNIVERSITY

Introduction and Institutional Profile Kazakh National Medical University, also referred to as KazNMU, holds the distinction of being the top-ranked medical institution in Kazakhstan. Located in Almaty, the country's largest city and primary cultural hub, this government-funded university has established itself as a premier destination for medical education. The institution currently hosts over 11,000 students from Kazakhstan and various foreign countries, supported by a dedicated faculty of more than 1,500 teachers engaged in training the next generation of healthcare professionals. For Indian students specifically, Kazakh National Medical University represents a significant opportunity, with over 750 Indian students currently enrolled in the...

WHY CHOOSE KAZAKH NATIONAL MEDICAL UNIVERSITY

- **Globally Recognized:** KazNMU is recognized by WHO and NMC, allowing graduates to practice in various countries after clearing the required exams.
- **Affordable Education:** MBBS at KazNMU is more affordable compared to many other countries, making it accessible for Indian students.
- **English Medium:** All subjects of the MBBS curriculum are taught in English, eliminating language barriers for Indian students.
- **Government Institution:** As a government university, KazNMU offers a stable and reliable educational environment.
- **Cultural Exposure:** Students can participate in various cultural events, including music and dance, providing a well-rounded experience.
- **Conducive Learning:** The university provides a conducive learning environment with a variety of learning tools to aid in studies.
- **Accommodation Facilities:** Indian students are offered hostel facilities, quality food, and access to amenities like canteens and swimming pools.

CAMPUS & FACILITIES

- Hostel accommodation provided for international students, ensuring a comfortable stay.
- Quality food available in the canteen, catering to diverse dietary needs.
- Swimming pool access for students to promote physical well-being and recreation.
- Conducive learning environment with modern learning tools to aid in studies.
- Cultural events, including music and dance, to encourage student engagement.
- English-medium instruction for all subjects in the MBBS curriculum.
- Student exchange programs with universities in Russia, Europe, and other CIS countries.

ELIGIBILITY

- **NEET score:** Compulsory for all Indian students.

- Minimum marks: 50% in Physics, Chemistry, and Biology in 10+2.
- Age: Minimum 17 years of age.
- Qualifying NEET: NEET qualification from 2023, 2024, or 2025 accepted.
- 12th/Inter: 50% marks required in 12th/Inter examination.
- Regulations: Fulfill eligibility criteria as per the Regulations on Graduate Medical Education, 1997.

HOW TO APPLY

Intake: September.

1. Step 1: Ensure you meet the MBBS eligibility criteria, including a minimum of 50% marks in Physics, Chemistry, and Biology in your 10+2 from a...
2. Step 2: Qualify for the NEET exam. A NEET score is compulsory for all Indian students seeking MBBS admission in Kazakhstan, as per NMC guidelines.
