WHY CHOOSE KHABAROVSK MEDICAL COLLEGE

- NMC & WHO Approved: Far Eastern State Medical University offers an English-medium MBBS program recognized by both the National Medical Commission (NMC) and the World...
- Practical Training Focus: The university places a strong emphasis on practical training, ensuring students gain hands-on experience alongside theoretical knowledge.
- Modern Infrastructure: Benefit from the university's modern infrastructure, designed to provide a conducive learning environment for medical students.
- Global Standards: The MBBS program adheres to global standards, preparing students for medical practice anywhere in the world.
- Cost-Effective Education: Studying MBBS in Russia, particularly in Khabarovsk, offers an affordable alternative to private medical colleges in India.
- Balanced Cost of Living: Khabarovsk provides a balanced cost of living, making it a feasible option for Indian students seeking quality medical education.
- Economical Living Costs: Compared to larger Russian cities like Moscow or Saint Petersburg, Khabarovsk offers significantly lower living costs.

CAMPUS & FACILITIES

- English-medium MBBS program approved by NMC and WHO.
- Modern infrastructure supporting global standards in medical education.
- Strong focus on practical training for medical students.
- Economical transportation within Khabarovsk, averaging \$20–\$30/month.
- Affordable hostel fees, around \$100–\$150 per month.
- WHO and NMC recognition for global acceptance of degrees.
- English-taught programs to eliminate language barriers for Indian students.
