ABOUT THE UNIVERSITY

University Overview: Krasnodar Nursing Institute Krasnodar Nursing Institute represents a specialized medical education establishment in the Russian Federation that has attracted attention from Indian medical aspirants seeking MBBS abroad opportunities. Established in 1999, this public institution operates in the city of Krasnodar, situated within the Krasnodar Krai region of southern Russia. With a student population exceeding 1,000 learners, the institute maintains a focused academic environment that distinguishes it from larger, century-old medical universities in the same geographic area. Historical Foundation and Institutional Development Founded in 1999, Krasnodar Nursing Institute is one of the younger medical education establishments in...
