ABOUT THE UNIVERSITY

Overview Lumbini Medical College is a public institution located in Nepal, established in 2005. For Indian students seeking an international medical education, this college offers a 6-year MBBS program where English is the medium of instruction. A significant advantage for clinical learning is that the college has its own teaching hospital, allowing students to gain practical experience in a real-world medical setting. Fees & Cost Understanding the financial commitment is essential for any aspirant. The total cost for the entire program at Lumbini Medical College is 55,100 USD. In addition to the tuition and program fees, students should budget for accommodation; the annual hostel fee is 2,000 USD. Recognition & FMGE For Indian students, the most...
