ABOUT THE UNIVERSITY

Overview Medical University of Silesia is a public institution in Poland, established in 1948. For Indian students aiming to pursue an international medical career, this university offers a comprehensive MBBS programme with a duration of 6 years. The medium of instruction is English, which helps Indian students transition smoothly into the academic environment without the immediate hurdle of learning a new language for their medical studies. The primary intake for the programme occurs in March. Fees & Cost When planning your budget for studying in Poland, accommodation is a key factor. At the Medical University of Silesia, the annual hostel cost is 1,200 USD. This provides a structured living arrangement for students throughout their six-year...
