NMC-Approved

ABOUT THE UNIVERSITY

Overview Medical University of Varna is a public institution in Bulgaria, established in 1961. For Indian students seeking an international medical education, the university offers a comprehensive MBBS program conducted entirely in English. The course follows a 6-year duration, providing a long-term academic framework to master medical sciences before returning to India. Currently, there are 246 Indian students enrolled at the university, indicating an established community of peers from India navigating the same academic journey in Bulgaria. Fees & Cost Understanding the financial commitment is essential for any aspirant. The annual tuition fee for the MBBS program is 8,000 USD, which is approximately Rs 6.8 lakh per year. In addition to tuition,...
