ABOUT THE UNIVERSITY

Overview The Medical University of Warsaw is a public institution in Poland with a long history of medical education, having been established in 1809. For Indian students seeking an international medical degree, the university offers a comprehensive MBBS program conducted entirely in English. The course spans a duration of 6 years, providing students with the necessary time to complete their clinical and academic requirements in a European setting. The academic cycle typically begins with intakes in October. **Fees & Cost** Understanding the financial commitment is essential for any aspirant. The total cost for the program at the Medical University of Warsaw is 69,000 USD. In addition to the tuition, students must account for living expenses; the...
