ABOUT THE UNIVERSITY

Overview Melaka Manipal Medical College is a public institution located in Malaysia. Established in 1997, the college offers a comprehensive MBBS program with a duration of 6 years. The medium of instruction is English, which simplifies the transition for Indian students. A key advantage for clinical learning is that the college has its own teaching hospital, providing students with essential hands-on experience during their medical training. The academic session typically begins with an intake in September. Fees & Cost Understanding the financial commitment is crucial for any aspirant. The annual tuition fee for the MBBS program is 19,400 USD, which is approximately Rs 16.5 lakh per year. In addition to tuition, students should budget 3,620 USD...
