WHO Listed

ABOUT THE UNIVERSITY

University Overview: Melaka Manipal Medical College (MMMC), established in 1997, is a premier medical institution located in the historic city of Melaka, Malaysia. It was founded as a collaborative initiative between the Manipal Academy of Higher Education (MAHE), India, and Malaysian partners, marking the beginning of a strong Indo-Malaysian partnership in medical education. Over the past 25+ years, MMC has evolved into a globally recognized center for medical training, producing over 10,000 doctors who now serve in healthcare systems across Malaysia, India, and other countries. The college operates under the established Manipal Group, known for its excellence in health sciences education. Academic Structure and...
