ABOUT THE UNIVERSITY

Introduction The A.I. Evdokimov Moscow State University of Medicine and Dentistry of the Ministry of Health care of the Russian Federation is the head dental higher education organization and coordinator of the dental cluster in Moscow. For Indian medical aspirants seeking specialized training in dentistry alongside general medicine, this institution offers a historically rich environment combined with modern medical education standards. Established in 1892, the university traces its roots to the 19th-century establishment of dental schools in Russia, subsequently evolving into what became known as the House of the Soviet dental care. Historical Foundation and Institutional Legacy Dating back to 1892, Moscow State University of Medicine and...
