WHY CHOOSE MOSCOW EMERGENCY MEDICINE INSTITUTE

- **Globally Recognized Degree:** Graduates receive a medical degree recognized by the NMC and WHO, allowing practice in India after completing licensing requirements.
- **Established Institution:** First Moscow State Medical University has a rich history spanning over fifty years, demonstrating its commitment to medical education.
- **NMC and WHO Accreditation:** The university is officially recognized by the National Medical Commission (NMC) and the World Health Organization (WHO), ensuring credibility.
- **English Medium Instruction:** The MBBS program is taught in English, facilitating a smooth learning experience for Indian students.
- **Affordable Tuition Fees:** The tuition fee ranges from RUB 250,000 to RUB 400,000 per year, making it a relatively affordable option for MBBS abroad.
- **Research Opportunities:** With over 100 research labs and 30 research institutes, students have ample opportunities to participate in advanced research projects.
- **International Connections:** The university has international connections to provide training in foreign institutions, broadening students' exposure.

CAMPUS & FACILITIES

- Globally recognized medical degree programs for international applicants.
- Opportunities to work on advanced research projects in 100+ research labs.
- Access to 30 research institutes for career advancement.
- International connections for training in foreign institutions.
- English-medium MBBS program for smooth learning for international students.
- Multidisciplinary approach with focus on practical training.
- Affordable tuition fees compared to other countries.

ELIGIBILITY

- **NEET score:** Must qualify in NEET with a score at or above the 50th percentile for general category students.
- **Age:** Applicants must be 17 years or older as of December 31, 2026, to be eligible for admission.
- **Academics:** Completion of 10+2 education with Physics, Chemistry, and Biology as main subjects is required.
- **Minimum marks:** Specific minimum marks in 10+2 may be required; check the university's official website for details.
- **Qualifying exams:** Ensure all required qualifying examinations are cleared as per university guidelines.

- Nationality: Must be an Indian national or meet the specific eligibility criteria for international students.

HOW TO APPLY

Intake: September.

1. Step 1: Qualify for the NEET Exam. This is a mandatory requirement for Indian students seeking MBBS admission abroad.
2. Step 2: Begin the application process at First Moscow State Medical University for the 2026 academic year.
3. Step 3: Ensure you meet the eligibility criteria set by both the university and the National Medical Commission (NMC).
4. Step 4: Submit all required documents, including academic transcripts, NEET score card, and passport copy, as specified by the university.
5. Step 5: Await confirmation from the university regarding your application status and eligibility for admission.
6. Step 6: If selected, you will receive an admission letter from First Moscow State Medical University.
