ABOUT THE UNIVERSITY

Overview Moscow Medical College is a public institution located in Russia. For Indian students seeking an international medical education, this college offers an MBBS program with a total duration of 6 years. To accommodate international applicants, the medium of instruction for the course is English, allowing students to engage with the medical curriculum without an immediate language barrier. Recognition & FMGE When choosing a medical university abroad, understanding the regulatory landscape is critical. It is important for Indian aspirants to note that Moscow Medical College is not NMC approved and is not listed with the WHO (World Directory of Medical Schools) or FAIMER. Additionally, it is not eligible for the ECFMG/USMLE pathway. For any...
