ABOUT THE UNIVERSITY

Overview Mymensingh Medical College is a public institution in Bangladesh with a long history, having been established in 1924. For Indian students, the college offers an MBBS program with a duration of 6 years, conducted entirely in English. A key advantage for clinical learning is the presence of an attached teaching hospital, providing students with essential hands-on experience during their medical training. The academic session typically begins with intakes in September. Fees & Cost Studying at Mymensingh Medical College is a financially viable option compared to many private alternatives. The annual tuition fee for the MBBS program is 4,500 USD (approximately Rs 3.8 lakh per year). For those requiring accommodation, the annual hostel fee is...
