Nepal • Established 1996 • Government

NMC-Approved

## ABOUT THE UNIVERSITY

Overview Nepalgunj Medical College is a public institution located in Nepal, established in 1996. For Indian students seeking an international medical education, this college provides a comprehensive MBBS program conducted entirely in English. The course follows a 6-year duration and is supported by its own teaching hospital, which is essential for gaining the practical clinical experience required for medical training. Fees & Cost Planning the financial aspect of medical school is critical for any aspirant. The total program cost for the MBBS course at Nepalgunj Medical College is 75,000 USD. Students should factor this amount into their long-term educational budget when comparing options for studying abroad. Recognition & FMGE For Indian...
