ABOUT THE UNIVERSITY

North-Eastern Federal University: A Legacy of Medical Excellence in Russia North-Eastern Federal University (NEFU), officially known as M.K. Ammosov North-Eastern Federal University, represents one of Russia's most distinguished institutions for medical education. Established on August 23, 1956, as Yakutsk State University, the institution underwent a significant transformation on April 2, 2010, to become the North-Eastern Federal University we recognize today. Located in Yakutsk, the capital city of the Sakha Republic, this public medical college has evolved into a prominent educational hub serving over 18,500 students with the guidance of more than 1,200 faculty members. Historical Foundation and Academic Standing The university's path began...
