NMC-Approved

ABOUT THE UNIVERSITY

Overview Northern International Medical College is a public medical institution located in Bangladesh. Established in 1932, it provides a long-standing academic environment for students pursuing their medical degrees. The MBBS programme here spans 6 years, with the medium of instruction being English, which helps Indian students transition more easily into the curriculum. The college is supported by its own teaching hospital, ensuring that students have access to clinical exposure as part of their training. Fees & Cost For Indian aspirants, understanding the financial commitment is crucial. The annual tuition fee for the MBBS programme at Northern International Medical College is 320,000 USD, which is approximately Rs 272.0 lakh per year....
