ABOUT THE UNIVERSITY

Overview The Republican Specialized Scientific Practical Medical Center of Surgery is a public medical institution located in Uzbekistan. For Indian students seeking an international medical education, this center offers an MBBS program with a duration of 6 years. The medium of instruction is English, which helps Indian students transition into the academic environment more easily. Recognition & FMGE When choosing a medical university abroad, it is critical for Indian students to understand the regulatory landscape. To practice medicine in India, all graduates from foreign medical universities must pass the Foreign Medical Graduate Examination (FMGE). Regarding official listings, the Republican Specialized Scientific Practical Medical Center of...
