ABOUT THE UNIVERSITY

History and Establishment South Valley University (SVU), established in 1995, is a public institution located in Qena, Egypt. Originally a branch of Assiut University, it gained independence to address the educational and healthcare needs of Upper Egypt. The university operates three campuses: the main campus in Qena, a facility in Luxor specializing in arts and tourism studies, and a coastal campus in Hurghada housing the Faculty of Education. SVU's mission focuses on advancing regional development through accessible, high-quality education and research in diverse disciplines, including medicine, engineering, and social sciences. Academic Structure and Programs The Faculty of Medicine at South Valley University offers a 5-year MBBS program...
