NMC-Approved

ABOUT THE UNIVERSITY

Overview Universal College Of Medical Sciences is a public institution located in Nepal, established in 1998. For Indian students seeking an international medical education, this college offers an MBBS program conducted entirely in English. The course follows a 6-year duration and provides students with practical clinical exposure through its own teaching hospital. Admissions are flexible, with intake months available in both February and September, allowing students to plan their academic transition according to these windows. Currently, there are 100 Indian students enrolled at the institution. Fees & Cost The financial commitment for the program is significant. The total program cost is 70,585 USD. In addition to the tuition and academic fees,...
