ABOUT THE UNIVERSITY

Overview Studying medicine abroad requires a clear understanding of the academic structure and regulatory requirements. The University of Georgia is a public institution in Georgia that offers a comprehensive medical program designed for international students. The course is conducted entirely in English, making it accessible for Indian students who wish to pursue their medical education outside India. The total duration of the program is 6 years, with the primary intake occurring in September. Fees & Cost When planning your budget for studying at the University of Georgia, students must account for both tuition and living expenses. Regarding accommodation, the annual hostel fee is 2,500 USD. It is advisable for students to plan their finances...
