## ABOUT THE UNIVERSITY

Overview The University of Jordan is a public institution offering an MBBS programme designed for students seeking medical education in Jordan. The course is conducted with English as the medium of instruction and spans a total duration of 6 years. For Indian students, choosing a public university often means accessing a structured academic environment, but it is essential to evaluate the specific regulatory standing of the institution before enrolling. Recognition & FMGE For Indian citizens, the most critical aspect of studying medicine abroad is the ability to practice in India upon return. To do this, graduates must pass the Foreign Medical Graduate Examination (FMGE). It is important for aspirants to note that the University of Jordan is not...
